How to create a scene!

Draw and colour your favourite scene or part of the book you just read!

Yasmin has some questions for you along the way...

MATERIALS

- paper
- colouring pencils, felt tips or crayons

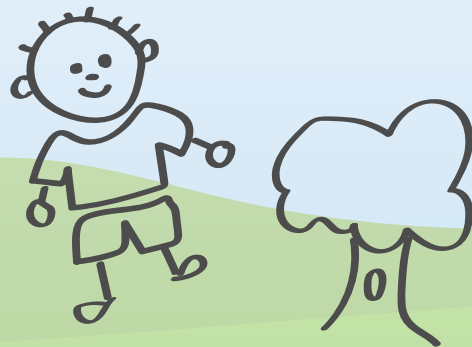

There is space on the second page to draw your picture!

1

Firstly, draw the characters:

- What did they look like?
- How were they feeling?
- What were they wearing?
- What were they doing?

2

Now, draw the background. Were the characters in nature or in the city?

3

Draw the objects and things which were around the characters.

4

Add any finishing touches to your picture!

Don't forget to colour in your drawing!
