

# Early Help for Children and Families Ombersley Endowed First School and Pre-School

## SUPPORTING FAMILIES

### OUR EARLY HELP OFFER 2024

At Ombersley Endowed First School we recognise the challenges that families face in bringing up children. There may be times when you need extra help and support. If this is the case please come and talk to us. There are many ways in which we can help as outlined in this offer of early help. We can also help to plan specific support for families. The diagram below shows the range of needs at different levels. We use this graduated approach to make sure we provide the best support for different families' individual situations.

#### Levels of Need

Providing early help to our pupils and families at Ombersley Endowed First School means we are more effective in promoting support as soon as we can. Early help means providing

support as soon as a problem emerges, at any point in a child's life, from the foundation years through to teenage years and beyond.

At Ombersley Endowed First School we meet the needs of our children through a variety of ways: We pride ourselves in knowing the children well and take the welfare of our children extremely seriously. We are vigilant regarding any situation in which we can provide support and have a number of systems in place to identify unmet need. We seek at all times to work in collaboration with families, with openness, integrity and understanding and with the needs of the child at the centre of all we do. Early Help is everyone’s responsibility. Please speak with any member of the school team who would be happy to work with you or pass your concerns on to one of our Early Help team. Usually, Mrs Moore (Head/DSL), Mr Postans (Deputy DSL/Deputy Head) or Mrs Mansfield (Deputy DSL/HLTA), Mrs Skeys (Deputy DSL, Wraparound Care Leader) are the first contact for the child or the family. The school has a clear and detailed Safeguarding Policy. Currently at school four members of staff have had the enhanced safeguarding training. We also work with our Safeguarding Governor Mrs Shipley. We all work together to ensure that rigorous and robust systems are in place within the school to ensure the safety of all our children. At Ombersley Endowed First School we always act in the interest of the child. The Safeguarding Team (DSL and Deputy DSLs) meet regularly to ensure a robust approach to all matters of safeguarding. The attendance register is monitored daily and parents are contacted promptly if their child is absent. In Keeping Children Safe in Education 2023 it makes it clear that ALL staff should be aware of their local early help process and understand their role in it. In addition, this statutory document makes it clear that any child may benefit from early help, but all school and college staff should be particularly alert to the potential need for early help for a child who: - Is disabled and has specific additional needs; - Has special educational needs (whether or not they have a statutory education, health care plan); - Is a young carer; - Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups; - Is frequently missing/goes missing from care or from home; - Is misusing drugs or alcohol themselves; - Is at risk of modern slavery, trafficking or exploitation; is in a family circumstance present challenges for the child; such as substance abuse, adult mental health problems or domestic abuse; - Has returned home to their family from care; - Is showing early signs of abuse and/or neglect; - Is at risk of being radicalised or exploited; - Is a privately fostered child.

Everyone needs help at some time in their lives and therefore an ethos of early help is important. The Ombersley Early Help offer is outlined in the table below. We believe that early interventions for children or families, in many cases, will prevent children from experiencing harm. We also liaise with other agencies and people within the local community.

In the table below are some National organisations that can support children, young people and their families

### **Ombersley Early Help Offer**

Open Door Policy	At OEFS School we meet the needs of our children through a variety of ways. Support offered ‘Open door policy’. We are available to talk via telephone and face to face and provide time for our parents to communicate and work with us (eg. through structured conversations, Parents Consultations and good daily availability). Our children are actively encouraged to speak about any concerns they have to a member of staff. They know that our staff take all their concerns very seriously and they know that they can speak to any responsible adult in school. The Pupil Voice is also represented via the Junior Leadership Team, which regularly
------------------	--

	meets with Mr Postans and Mrs Whitby to raise any issues. We also hold half-termly coffee mornings for parents of children with a SEND to get together to have a chat.
Developing Key Skills	Our PSHE curriculum supports children and develops key skills, not only for school but for life. We put in place intervention in school to support children who need it, be this for academic or mental well-being.
SENCo	At OEFS School, early assessments help identify the specific needs of our children and families, so that they can be assigned to the correct interventions for their educational, social, physical and emotional needs. These interventions may include specific learning outcomes on Provision Maps or EHCP provision. Mrs Bragg, our SENCo, manages the allocation of pupils for intervention and support groups.
School Nurse	We can refer children to the School Nursing team and you can speak directly with the School Nurse Team. Health - Registering with appropriate medical support, referral to appropriate medical specialist, implementation of the Children with Medical Needs policy. Early Help Hub - We have access to the Early Help Hub in the locality, where there are community social workers and Family Support Workers amongst other agencies, who we can contact to try to find the right kind of support for you.
Attendance	We have an Attendance Officer who can offer support, access to other relevant agencies will be signposted if appropriate to enable good attendance.
External Support Agencies	We signpost families and seek support from different external support agencies. There are a number of support agencies out there who we can access or signpost you to if you are experiencing difficulties at home. There are also agencies which you can contact independently should you wish to do so, who might be able to help and provide support: Step 1: Support for all families. We have an 'open door' policy to communicate, providing time to talk to all parents, children and families, to ensure all children are safe, happy and learning. Step 2: Support for all families- we work more closely with families and children who need extra support. We work closely with the WEST Team and have a Mental Health Worker on site once per week. Other Support Agencies MASH (Multi-Agency Safeguarding Hub) Community Social Worker, Community Family Support Workers, Early Help Hub, Local Community Police Officer, Sendiass. Step 3: We seek further support from services to best support our families. The Designated Safeguarding Lead (Mrs Moore) will work with parents and Children and Families Services to organise additional support. Support could involve: Children and Families Team, Multi-agency Safeguarding Hub, Worcestershire Safeguarding Children Board, Community Social Worker.
What is our Early Help Offer?	Early Help means providing support as soon as a problem appears, to stop it from getting worse. This could be at any point in a child's life, from birth to the teenage years. Anyone can provide early help – you don't need to be an expert professional. Early help is not about passing the issue on to an expert, but thinking about

	<p>what is the best support you can offer. Effective support can be offered by:</p> <ul style="list-style-type: none"> <li>• listening</li> <li>• working with other people who could help</li> <li>• finding out about specialist agencies who could help</li> <li>• filling out an Early Help Assessment with the person you are helping</li> <li>• contacting Children’s Social Care if you think the problem is more serious <a href="https://www.worcestershire.gov.uk/earlyhelpfamilysupport">https://www.worcestershire.gov.uk/earlyhelpfamilysupport</a></li> </ul> <p>There is a lot of information and advice on the Advice, Care, Health and Support pages as well as detail of local services that can provide support for children, young people and families. Universal source of help for all families in Worcestershire: Worcestershire Family Information Service (FIS)	<p>Worcestershire Family Information Service (FIS) advisors give impartial information on childcare, finances, parenting and education. FIS are a useful source of information for parents and professionals. They support families, children and young people aged 0-19 years of age (25 for young people with additional needs) and professionals working with these families. They can help link parents up with other organisations that might be able to help or provide the information themselves.  <a href="http://www.worcestershire.gov.uk/info/20507/childcare">http://www.worcestershire.gov.uk/info/20507/childcare</a></p>
Home-school support Worcestershire Home Education Network	<p>There is a growing community that are able to offer support with years of experience in educating children of all ages and they are able to organise and put on a range of activities. They hold meetings, at least weekly, throughout term time at various locations round the county-for example: - both indoor and outdoor games plus organised activities such as climbing/zip-wires/grass sledging for 8+.</p>

	<p>- Monthly meeting in Worcester with games, music and crafts for all ages.  Monthly social meeting in south Worcestershire, including indoor and outdoor games, group music session and a drama group.</p> <p>- Bowling or Ice skating most months.  - "Education group" workshops organised regularly.</p> <p>They also meet up with people from neighbouring counties and many go along to the national camps and gatherings that are organised by home educators throughout the year.</p> <p>There is a Worcestershire Home Educators Newsletter (WHEN) that lists all of the activities for the coming month and run a Worcestershire Home Educators Internet support list. E-safety (Online Safety)	<p>Online Activity (phones, computers) can be a serious risk to children: The use of technology has become a significant component of many safeguarding issues. Child sexual exploitation; radicalisation; sexual predation – technology often provides the platform that facilitates harm. With the right support, education and safety measures in place the internet and new technologies can also bring great benefits but we must all be vigilant.</p> <p>PACE (parents against child exploitation) UK is a useful website to engage parents with safety issues. <a href="http://www.paceuk.info/">www.paceuk.info/</a>  <a href="https://www.thinkuknow.co.uk/parents/">https://www.thinkuknow.co.uk/parents/</a></p> <p>- This is the Child Exploitation and Online Protection (CEOP) Centre. Bullying (including cyberbullying)/ Child death/suicide/prevention	<p>Cyberbullying is using the internet, email, online games or any digital technology to threaten, tease, upset or humiliate someone else. If the police consider a message or post to be potentially criminal, they will take appropriate action. This could involve arresting the person responsible or interviewing them under caution. Cases involving sustained abuse or where someone's life is threatened will be treated seriously. The police will consider all of the circumstances when considering the best response to a report of cyber bullying and assess how vulnerable the victim is and what resources are required to trace the offender via social networking sites.</p>

	<p>They will work with the victim to bring about the most suitable and proportionate conclusion, this will include alternative options that could include the officer in the case working with the offender to record an apology to the victim</p> <p>Useful links Bullying UK Childline KidScape: Our resources provide information on issues surrounding bullying, online and personal safety. <p>Children Missing in Education (CME)</p>	<p>Children Missing Education (CME) refers to 'any child of compulsory school age who is not registered at any formally approved education activity eg school, alternative provision, elective home education, and has been out of education provision for at least 4 weeks'.</p> <p>CME also includes those children who are missing (family whereabouts unknown), and are usually children who are registered on a school roll / alternative provision. This might be a child who is not at their last known address and either has not taken up an allocated school place as expected, or has 10 or more days of continuous absence from school without explanation, or left school suddenly and the destination is unknown.</p> <p>This is the link for Children Missing Education on the Worcestershire website  <a href="http://www.worcestershire.gov.uk/info/20595/behaviour_and_attendance/293/children_missing_education">http://www.worcestershire.gov.uk/info/20595/behaviour_and_attendance/293/children_missing_education</a>  Educational Welfare Team:  <a href="https://www.worcestershire.gov.uk/WCFEducationServices/info/30/education-welfare-service">https://www.worcestershire.gov.uk/WCFEducationServices/info/30/education-welfare-service</a></p>
<p>Missing Children and Adults Strategy (vulnerable children and adults who go missing)</p>	<p>Every year an estimated 200,000 people go missing in the UK and the vast majority of missing people, children and adults, are vulnerable and need protection and support. The strategy has three key objectives which provide the right foundations for any effective local strategy to tackle this issue:</p> <p>Prevention - reducing the number of people who go missing, including through prevention strategies, education work and early intervention in cases where children and adults repeatedly go missing</p> <p>Protection - reducing the harm to those who go missing, including through a tailored, risk-based response and ensuring agencies work together to find and close cases as quickly as possible at a local and national level</p> <p>Provision - providing support and advice to missing persons and families by referring them to agencies promptly and ensuring they understand how and where to access help.</p> <p>The police should be informed if any child or adult goes missing. The Missing Children and Adults strategy can then be referred to for further information and help. It is a home office publication (2011). <a href="https://www.gov.uk/government/publications/missing-children-and-adults-strategy">https://www.gov.uk/government/publications/missing-children-and-adults-strategy</a>  <a href="https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/117793/missing-persons-strategy.pdf">https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/117793/missing-persons-strategy.pdf</a></p>
<p>Children with family members in prison</p>	<p>Approximately 200,000 children have a parent sent to prison each year. These children are at risk of poor outcomes including poverty, stigma, isolation and poor mental health. NICCO (<a href="http://www.nicco.org.uk">www.nicco.org.uk</a>) provides information to support professionals working with offenders and their children to help mitigate the negative consequences for these children.  <a href="https://www.solgrid.org.uk/education/safeguarding/child-protection/issues/children-familyprison/">https://www.solgrid.org.uk/education/safeguarding/child-protection/issues/children-familyprison/</a></p>

Children and the court system	<p>Children are sometimes required to give evidence in courts, either for crimes committed against them or for crimes they have witnessed. There are two guides to support these children which can be found at <a href="http://www.gov.uk">www.gov.uk</a> (young witness booklet for 5 to 11 year olds).</p> <p>There is also a document called “going to court and being a witness age 12 to 17” which is also found at <a href="http://www.gov.uk">www.gov.uk</a>.</p> <p>Making family arrangements via court can be stressful and entrench conflict in families. The ministry of Justice has just launched an online dispute resolution service. This can be useful to parents and carers. Got to <a href="http://www.gov.uk">www.gov.uk</a> and search for “get help with arrangements.”</p>

Early Help is a pathway to supporting you and your child as they grow up when you or they may need further support or guidance.

Providing early help to our pupils and families at Ombersley Endowed First School means we can improve outcomes for children, families, and communities, providing support as soon as a problem emerges, at any point in a child's life, from the early years through to teenage years.

**Early Help can support children and their families who may be struggling with:**

- Routines and family rules
- Families who may be not be eating healthy food
- Keeping to a healthy lifestyle
- Children who are caring for a family member
- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)
- Children who may becoming involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced, or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse or adult mental health problems.
- Children who have parents who argue a lot (and sometimes might hurt each other) whether the parents live together or apart.
- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school.
